

Pan Bracket BRKT-W4390

Thank you for purchasing the SBH W4390 bracket. The kit should include the following:

4 x M10 - 1.5 x 45 cm

4 x washer

4 x locking washer

2 x BRKT-W4390

Below is an illustration of how the bracket attaches to your Danley Sound Labs loudspeaker. The purpose of the kit is to add a simple pan mounting bracket to your loudspeaker that is adjustable to 43 degrees.

1. Secure the bracket to mounting surface with eight bolts. (Not included)
2. Remove the existing fasteners from the top and bottom of the loudspeaker.
3. With the help of another individual, place the loudspeaker on the bottom bracket and align the holes to the fly point on the cabinet.
4. Insert bolts with washers and tighten loosley by hand.
5. Adjust to desired angle and then tighten the bolts fully.
